#### A Bridal Trip.

Not being informed the Gazette failed to note last week that Mr. and Mrs. Louis Buesing left on Sunday night March 3d via David Crockett, for a bridal trip which will include Mexico, California and the groom's native land, Europe. On their return they will make their future home in Arizona. We also failed to mention the bridal presents, and lack of space forbids enumerating each one, but the most valuable was a gift of \$10,000 presented by the bride's mother, Mrs. S. McMurrey. May only peace and happiness be their lot.

#### Three Head Items.

Farmers have a good reason to be happy since those two fine rains have fallen. Corn planting is over, now cotton comes next. Sugar cane, Irish potatoes, onions, cabbage and other garden stuff is simply O. K. Oh, how beautiful nature is. Everything is so green. The flowers—the little beautiful things are here in all their glory and beauty. Their sweet perfume is carried to you from all directions.

Oh, whose heart would not rejoice, when everything seems overflowing with love, at peace with the world and enjoying life.

How fortunate we are to share the sweet flowers, the free and beautiful country life and the sweet music of the birds! Dear reader, did you ever stop to think what this beautiful world of ours would be without flowers and birds? Indeed, not very much worth living. Yet, there are some among us that injure the dear little harmless birds. Oh, human heart, where is thy humanity?

There is going to be a new second class road near here, commencing at the East side of the Michna School house Road; thence between Tom Mikeska and F. Stefka, intersecting the Shiner and Yankum Road; thence between Mrs. Siems and Wm. Beasley; thence between Mrs. Siems and the Aransas Pass Railroad; thence between Wm. Beasley and Nic Brod; thence between Wm. Beasley and B. F. Novak thence intersecting the Shiner and Bennett Road.

The proposed road will shorten the distance to Hallesville about four miles, as it is now all parties living West of the railroad in going to Hallesville, have to go about four miles out of the way. Chas. Krupala, John Nedbalek, Chas. Plato, John Elak and John Bazoob

were appointed as a jury of view as well as a jury to assess damage if any occasioned by the laying out of the said road.

Mrs. A. Clow and niece Miss Theresa Marock, both of Da Costa, Texas, have been visiting the family of John Nedbalek.

Miss Mary E. Juren, the charming young lady who is working at Wolters Bros. Store spent Saturday night and Sunday before last with her friend Miss Fannie Nedbalek.

Nearly the whole Three head settlement went last Saturday to Guadalupe river, fishing. "Fan" went too; but they said if she would go the fish would not bite. Well, we will see how lucky they will be without her.

The S. P. J. S. T. lodge held their monthly meeting at their hall last Sunday afternoon. Mr. and Mrs. Geo. Mikeska of near Shiner were visiting at Mrs. T. Mikeska, Jr. last Sunday.

Born to Mr. and Mrs. F. J. Migl a boy on the 26th ult. This is their twelfth child so one dozen congratulations!

Well, I am sure you all wish me to ring off, so I do with best wishes to all.

"FAN."
